APPLICATION REQUEST FOR DUPLICATE CONSTRUCTION PLANS

I, the undersigned, do hereby request a duplicate of the official copy of the plans for the building or structure located at:

_____ and do hereby declare under penalty of perjury under the laws of the State of California that:

1. The copy of the plans for which I have applied shall be used only for the maintenance, operation and use of the building located at the address set forth in this application.
2. I acknowledge that the drawings, plans and calculations are instruments of professional service and are incomplete without the interpretation of the certified, licensed, or registered professional of record.
3. I acknowledge that subdivision (a) of Section 5536.25 of the Business and Professions Code states that a licensed architect who signs plans, specifications, reports, or documents shall not be responsible for damages caused by subsequent changes to, or use of, those plans, specifications, reports or documents where the subsequent changes or uses, including changes or uses made by state or local governmental agencies, are not authorized or approved by the licensed architect who originally signed the plans, specifications, reports, or documents, provided that the architectural service rendered by the architect who signed the plans, specifications, reports, or documents was not also a proximate cause of the damages.
4. In consideration for the City's approval of this application, I do hereby agree to indemnify and hold harmless the City of Pico Rivera, its officers and employees from any and all claims, suits and liability, which may arise due to my receipt of the copy of the official plan and any use to which my copy of the plan may be applied.
