Project address: _____

Plan Check No. _____

Proposed Occupancy _____ Type of Construction _____

Description of Proposed Work _____

THIS NOTICE IS TO INFORM YOU THAT APPROVAL FROM THE AGENCIES MARKED BELOW, IN ADDITION TO BUILDING PLAN CHECK APPROVAL, MUST BE OBTAINED PRIOR TO PERMIT ISSUANCE.

Pursuant to California Government Code Section 65913.3, if review of the permit application is required by a State Agency or Other Agency, as marked below, the applicable time limits for review of the application are tolled until the applicant provides Building and Safety with a copy of the Agency approval. The issuance of this referral sheet shall serve as formal notice of tolling. You may need to submit the pertinent plans, plan check number, calculations, reports, etc., directly to these agencies. To assist you, we have listed below the information which you will need to contact these agencies. Follow-up is your responsibility. Please be aware that some items resulting from these agency plan reviews may affect your building plan check. These should be communicated to your Building Plan Check Engineer as soon as possible to prevent unnecessary delays. Submit all agency approvals 48 hours prior to permit issuance. Notify the Plan Check Engineer once all agency approvals have been submitted and request to verify approvals. ADDITIONAL AGENCY CLEARANCES MAY BE REQUIRED BY YOUR BUILDING PLAN CHECK ENGINEER.

Please submit all agency approvals 48 hours prior to permit issuance.
