

**PUBLIC NOTICE
CITY OF PICO RIVERA
NOTICE OF PUBLIC HEARING AND PUBLIC COMMENT PERIOD**

2025-2029 CONSOLIDATED PLAN AND FISCAL YEAR (FY) 2025-2026 ANNUAL ACTION PLAN

NOTICE IS HEREBY GIVEN that a public hearing will be held before the City of Pico Rivera City Council to receive public input on the City's five-year 2025-2029 Consolidated Plan and FY 2025-2026 Annual Action Plan for the Community Development Block Grant (CDBG) program. As an entitlement jurisdiction, the City is required by the United States Department of Housing and Urban Development (HUD) to complete the Consolidated Plan every five years to receive its allocation of CDBG funds. The Consolidated Plan identifies the housing and community development needs of the City's low-and moderate-income community, as defined by HUD, and establishes the City's HUD-funded strategies for addressing these needs for a five-year period. The CDBG Program provides federal funds for local improvement projects and programs. Activities assisted with CDBG funds must meet one of the three national objectives: principally benefit low and moderate-income people, aid in the prevention or elimination of slums and blight or meet other community development needs having particular urgency.

WHEN: Tuesday, April 22, 2025

TIME: 6:00 p.m.

WHERE: City Hall Council Chambers
6615 Passons Boulevard
Pico Rivera, CA 90660

Description: The City is an entitlement community and typically receives federal annual Community Development Block Grant (CDBG) funds from the United States Department of Housing and Urban Development (HUD). To receive these funds, the City is required to prepare and submit to HUD an Annual Action Plan that generally describes how the City will utilize federal money during the next fiscal year to meet the goals and objectives approved by the City Council in the Five-Year Consolidated Plan. The Consolidated Plan identifies the housing and community development needs of the City's low-and moderate-income community, as defined by HUD, and establishes the City's HUD-funded strategies for addressing these needs for a five-year period. The Annual Action Plan is submitted to HUD on an annual basis and identifies how the City plans to use the federal money during the next fiscal year to meet the goals and objectives identified in its five-year Consolidated Plan.

Although HUD has not yet released the City's funding allocations for FY 2025-2026, the City is using estimated allocations based on the allocations it received last year from HUD. All proposed activities' budgets will be proportionately increased or decreased from the estimated funding levels to match actual allocation amounts when these are released by HUD. For FY 2025-2026, the City estimates receiving approximately \$550,000 in CDBG funds. Additionally, the City has approximately \$30,930 in unspent funds available for programming. The total available funds for programming as part of the FY 25-26 Annual Action Plan is \$580,930.

Priority Funding for CDBG activities are given to activities that:

- Provide decent affordable housing.
- Maintain and promote neighborhood preservation.
- Affirmatively further fair housing choice for all.
- Provide public services for extremely low, low- and moderate-income residents.
- Construct or upgrade public facilities and infrastructure.
- Planning and administration.

Fund allocation recommendations for FY 2025-2026 are outlined in the Annual Action Plan, which is now available for public review and comment.

Pursuant to the provisions of the California Environmental Quality Act (CEQA) and Section 24 CFR 58.34(a) of the National Environmental Protection Act ("NEPA"), the proposed Consolidated Plan and Annual Action Plan are exempt from CEQA and NEPA respectively. Under CEQA, the approval of the Consolidated Plan and Annual Action Plan are exempt from CEQA under the Section 15061(b)(3)'s common sense exemption that CEQA applies only to projects which have the potential for causing a significant effect on the environment and where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA.

PERSONS INTERESTED IN THIS MATTER wishing to observe the meeting may do so in the following ways:
